Venerable Board Of Administration Of The World Association Of Buddhism,

We, " Amitabha Buddhist Society " and its leading members are participating in the event of ' Gautama peace Prize '.

Our vote for " Gautama Peace Prize " goes to our Master, " Maitreya Buddha " for His dedicating life for Buddhism, i.e. Path of Peace. He is a inventor of Third Yana ,the Reconciliatory Buddhism with respect to Morden science. His contribution for Buddhism is a Extraordinary. He gives us a profound path for Eastern and Western Philosophy and making a bond between Mahayana and Hinayana.

Master " Maitreya Buddha " is a great Master and also very kind full to others, so our vote is for only our Master " Maitreya Buddha ".

We have faith in WBA and have proud of that we are a part of it.

Best Regards,

With Maitri
